

## ◆ Topics

Communication-based control and protection  
Smart grid safety and reliability management  
Energy transfer and interaction technology  
Smart grid testing and evaluation technology  
Power Electronics and Energy Conversion  
Smart grid implementation and field test  
National/Global Energy Interconnection  
Smart grid load and energy management  
Smart grid network and communication  
Embedded and autonomous systems  
National/Global Energy Interconnection  
Smart grid load and energy management  
Smart grid technology and equipment

## ◆ Publication

All the papers will be strictly peer-review after submission. Accepted papers will be published in the **CPS conference proceedings**, which will be submitted to indexed by **EI Compendex and Scopus**, etc.

More topics please visit: <http://icsge.org/about.html>

# 2024 Call For Paper

## ◆ Contact Us

Secretary: Sara Young  
[icsge\\_contact@academic.net](mailto:icsge_contact@academic.net)

## ◆ Important Dates

Submission Deadline:

**December 10 2023**

### Conference Chair

Joe Dong, Nanyang Technological University, Singapore  
Xinzhou Dong, Tsinghua University, China

Jiang Fan, Singapore Polytechnic, Singapore

### Conference Co-Chairs

Jizhong Zhu, South China University of Technology, China  
Kashem Muttaqi, The University of Wollongong, Australia

### Program Co-Chairs

Zhifang Yang, Chongqing University, China  
Viboon Sricharoenchaikul, Chulalongkorn University, Thailand

### Program Chair

Justin Pang, Singapore Institute of Technology, Singapore

### Local Chair

Xu Yan, Nanyang Technological University, Singapore
